NOTICE TO BIDDERS

ADDENDUM #2

**MORRIS HALL VENTILATION IMPROVEMENTS 2022**

Please note the following items which become part and parcel to the Contract Documents and shall be considered when bidding.

**ITEM 1: A/E's Addendum 2 Notes**

There are 2 pages of A/E Addendum 2 notes containing clarifications and changes to the Bid Documents.

**ITEM 2: Pre-Bid Meeting Agenda**

There are six (6) total pages from the Project's Pre-Bid meeting Agenda.

**ITEM 3: Drawing Revisions**

The following six (6) Drawing Sheets have been revised:  
H104, E-104, H100, H501, H200 and H600.

**ITEM 4: Revised Bid Form and Revised Base Bid Estimate**

Per the A/E's Addendum #2 notes, the Work associated with Alternate 1 (referenced by the A/E as Alternate H-2) is no longer to be bid as a separate Alternate but instead is now rolled into the Base Bid Work. As a result, the Estimate for the Base Bid Work is changed to \$975,640. A Revised Bid Form is being issued with this Addendum 2 to reflect the change in how that scope of Work shall be bid. The Revised Bid Form must be used for bid submissions.

The Project Bid Documents, Addendum # 2 and a list of the current Plan Holders may be found at [www.pfd.miamioh.edu/fco](http://www.pfd.miamioh.edu/fco).

**\*Please note receipt of this Addendum 2 on the Bid Form.**
